

## How long does the Community Crawl run?

The *Cheers & Chocolate Community Crawl* will begin at 5:00 am on April 1, 2022 and continue through 12:00 am (midnight) on April 30, 2022.

On Saturday, April 29, EWP will host a cap-off event, the *Cheers Crawl Finish Line*, in downtown Muskegon. This event will celebrate a month of community support, featuring live outdoor entertainment by local favorite Brena.

## How do I get involved in the Community Crawl?

Any business in Muskegon and neighboring communities can become a Business Supporter. Starting April 1, your team will ask patrons to donate an additional \$1 to their bill in support of Every Woman's Place. Simply scan the registration code below to sign up, then send your business logo to [helpheal@everywomensplace.org](mailto:helpheal@everywomensplace.org), and get your team excited to be involved! You will need a way to track the donated funds within your sales system to be able to donate the total back to EWP at the end of the Community Crawl.

## What should my team say to encourage our patrons to donate to EWP?

Your servers, carry-out staff, and your register team should ask every patron if they would like to **“add \$1 (to their bill) to help derail sexual violence”**. Your patrons can donate more than \$1 if they wish!

## What happens after I register to be a Supporting Business?

Our planning team will deliver a supply of **“add \$1 to derail sexual violence”** dots (*front side pictured above*) to display for every donation, along with signage for your checkout area(s). The donor can sign or initial the dots, if they wish. Display prominently...best is on a glass storefront so both the back and front are visible, but any wall will do!

## How will EWP promote my business?

EWP will provide every participating business a branded 13x19 color poster, plus branded social media graphics sized for Facebook and Instagram. Each participating businesses will feature in multiple posts across our social channels and on the *Cheers & Chocolate* Facebook page—don't forget to like, follow, and share to increase the reach of this community-wide event!
